Safe Environment / VIRTUS:

Protecting God's Children VIRTUS is the brand name that identifies best practices programs designed to help prevent wrongdoing and promote "right doing" within religious organizations. The VIRTUS programs empower organizations and people to better control risk and improve the lives of all those who interact with the Church.

As part of this effort, over the next few weeks the Faith Formation program's students will learn about, "Teaching Touching Safety". In this class they will learn about personal boundaries and how to identify and honor those boundaries, the self assurance needed to speak up when someone tries to step over the line, and how to identify someone to trust.

An excused absence will be recorded for those students that have an "opt out" form on file. Parents can pick an "Opt out" form up in the church office.

Ambiente Seguro / VIRTUS:

Protegiendo a los Niños de Dios VIRTUS es la marca que identifica las mejores prácticas de los programas diseñados para ayudar a prevenir el delito y promover las buenas acciones dentro de las organizaciones religiosas. Los programas VIRTUS permiten a las organizaciones y las personas un mejor control de riesgos y mejorar las vidas de todos aquellos que interactúan con la Iglesia.

Como parte de este esfuerzo, en las próximas semanas los estudiantes del programa de Formación de la Fe aprenderán sobre "Enseñanza de Seguridad en el Contacto". En esta clase aprenderán acerca de los límites personales y la forma de identificar y honrar esos límites, la seguridad en sí mismos al hablar cuando alguien trata de pasar por encima de la línea y la forma de identificar a alguien en quien confiar.

Si no desea que su hijo(a) participe de esta clase, la ausencia justificada será documentada para aquellos estudiantes que entreguen una forma. Los padres pueden recoger esta forma en la oficina de la iglesia.
